ITEM NO. 1 ADDENDUM FIVE	Interpretation of Contract General Conditions: Article 44, Items 6 & 7.

A. RFI #1 – Article 44 General Conditions Field Office Requirement Query:

Article 44 of the General Conditions clarifies what can be included in the billing of mobilization of the project. The contractor must provide employees access to restrooms and standard safety equipment and supervision per law. Our interpretation of Article 44 does not require a Field Office. A Field Office is not required, but is under a contractor’s means and methods. A contractor would only be required to include a Field Office if it has been included specifically in a section of the project specifications.
